SEA REVIEW

Marine BizTV's annual International Maritime Awards ceremony started its journey in 2007 from Dubai. As time passed by the event grew bigger and better, the 2nd edition of the award ceremony took place at Cochin in 2008 while the 3rd edition concluded successfully at the shores of the Merlion City, Singapore in 2009. This year Marine BizTV International Maritime Awards with its 4th edition overwhelmed Dubai with its charm.

The Marine BizTV International Maritime Awards is our humble tribute to the veterans to recognize their creative minds, innovative concepts, product and services and dedicated contributions to the maritime industry, a modest standing ovation to all the winners who are keen to make a difference in this maritime world.

# Best Concept Video

Nominees

**Maersk Line, Voith Turbo  
Velosi, Ulstein**

Winner  
**Velosi**

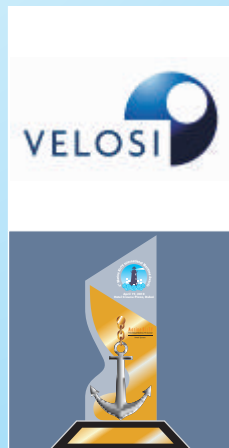

Received By: B H Ramamurthy, Country Manager,  
Velosi Certification Services

Presented By: M S Maniam, Managing Director,  
Seagull Marine Pte Ltd

## **Velosi - Safeguarding Your Assets & Resources**

The VELOSI Group, founded in 1982, provides Asset Integrity, Health, Safety and Environment (HSE), Quality Assurance, Quality Control and Engineering services to a number of leading national and multinational oil and gas companies, including BP, Shell, Exxon Mobil, ADNOC, PETRONAS, Petrobras, ONGC, and Chevron. The Velosi Group operates globally through five regional headquarters in the USA, the UK, Malaysia, South Africa, and the UAE and has 63 offices in 36 countries worldwide.

# Best Corporate Video

**Winner**  
**Griffin Kinetic**

**Nominees**

**Germanischer Lloyd (GL), GAC**  
**Griffin Kinetic, Hamworthy**

**Received By: J.M Ashroff**  
**Chairman, Griffin Kinetic Pte. Ltd.**

**Presented By: Mohammad Reza Afshar Sadeghi**  
**Marketing Manager-Partner, Team Shipping Co LLC**

## **GRIFFIN KINETIC**

Established in 1988, Griffin Kinetic Pte Ltd is a full-fledged, one stop logistic unit providing a wide spectrum of businesses such as air and sea freight, door to vessel delivery, as well as warehousing. With the mission to be the leading Freight Forwarder in the Marine Industry, for more than 17 years, Griffin has grown from strength to strength. It has an extensive network of representative offices located worldwide that are integrated through computerized tracking system, enabling easy and convenient tracking of clients' cargo. With a well-established reputation of providing highly reliable, prompt and friendly personalized services through professionally trained and dedicated staff, Griffin Kinetic has spread its wings and flown onto new horizons with offices in Malaysia and Qatar to meet expanding customers' expectations in new markets.

# *Best Safety and Conservation Video*

Nominees

**IMO, Fairdeal  
IFAW- "Lethal Sound", The Cove**

Winner  
**International  
Maritime  
Organisation**

Received By: (On behalf of IMO)  
Carsten Bullemer, Co-founder, Vesseltracker.com GmbH

Presented By: Capt. Avinash Batra, Chairman,  
Seahorse Ship Agencies Pvt.Ltd

## **International Maritime Organization**

The International Maritime Organization (IMO) formerly known as Inter Governmental Maritime Consultative Organization (IMCO) was established in Geneva in 1948. Headquartered in London, United Kingdom, IMO's primary purpose is to develop and maintain a comprehensive regulatory framework for shipping. Its remit today includes safety, environmental concerns, legal matters, technical co-operation, maritime security and the efficiency of shipping. IMO plays a key role in ensuring that lives at sea are not put at risk and that the marine environment is not polluted by shipping - as summed up in IMO's mission statement: Safe, Secure and Efficient Shipping on Clean Ocean.

# *Employer of the Year*

Winner  
**Wärtsilä**

Nominees

**Chalmers,  
Maritime Management Company  
Emarat Maritime, Wärtsilä**

Received By: Ad Bertens,  
Managing Director-Middle East, Wärtsilä

Presented By: Capt. S.K. Bhasin, Chief Executive Officer  
FNSA Fuel Ltd

## **WÄRTSILÄ**

Established in 1834, Wärtsilä is considered to be the global leader in providing complete lifecycle power solutions for the marine and energy markets. By emphasizing technological innovation and total efficiency, they maximize the environmental and economic performance of the vessels and power plants of its customers. They offer innovative products, services and solutions, based on constantly better and environmentally compatible technologies. The company has operations in 160 locations in 70 countries around the world and is listed on the NASDAQ OMX Helsinki, Finland.

# Ship Owner of the Year

Nominees

**Zakher Marine**

**Halul Offshore Services Company W.L.L**

**Whitesea Shipping and Supply LLC**

**Orca Maritime- "Offshore Film 9800HT"**  
**Dubai Trade- "First Full Fledged Online  
Government Department in UAE"**  
**Ulstein- "X- BOW"**

Winner  
**Ulstein**  
**"X- BOW"**

Received By: Gunnar Haug, Regional Director,  
Ulstein Middle East FZE

Presented By: Seraj Alali, Managing Director,  
Whitesea Shipping & Supply L.L.C

## ULSTEIN

Ulstein Group started as a small, family-owned shipyard engaged in ship repair. Over the years Ulstein Group has evolved into a trendsetter in ship design, shipbuilding and solutions within systems & services. Now they turn visions into reality together with customers worldwide. The work is based on the continuous exchange of knowledge between ship owners, designers, equipment manufacturers, engineers and shipbuilders. This unique collaboration allows them to act as a centre of expertise and keep one step ahead in designing and constructing advanced vessels and solutions for the most demanding operations. A good example is the X-BOW® - a revolution in offshore vessel design.

# Best Repair Yard

Winner  
**ALBWARDY**  
Marine  
Engineering  
LLC

Nominees

**Adyard Abu Dhabi LLC**  
**Interocean**  
**Arab Heavy Industries P.J.S.C**  
**ALBWARDY Marine Engineering LLC**

Received By: Hennie den Toom, Managing Director  
ALBWARDY Marine Engineering LLC

Presented By: Stein Kjolberg,  
Regional Marine, Director - Middle East ,  
Jotun U.A.E. Ltd (L.L.C.)

## ALBWARDY MARINE ENGINEERING LLC

Founded in 1978 by Mr. Ali Albwardy and was the first ship repair company in Dubai Ship Docking Yard (Al Jadaf). Since 1978, ALBWARDY MARINE ENGINEERING has been providing a complete package of professional Ship Repair, Ship building & Marine Engineering, with the help of fully equipped shipyard in Dubai, workshops in Fujairah & Salalah (Oman). The core activities include: Dry Dock & Repairs, Afloat Repairs, Machine Shop, Electrical services, Hydraulic services, Albwardy Diving Services, Offshore Support, New Building etc.

# Best Maritime Media

## Nominees

**Shipping World and Ship Builder (IMarEST)**  
**The Naval Architect (RINA)**  
**Marine Propulsion (Riviera Maritime Media )**  
**GreenPort Journal**

Winner  
**The Naval Architect (RINA)**

Received By: Harry Karanassos, General Manager -  
Surveyors and loss Adjusters Division,  
Inchcape Shipping Services (On behalf of RINA)

Presented By: David Ross, President, The David Ross Group

## THE NAVAL ARCHITECT (RINA)

Founded in 1860 in London to "...advance the art and science of ship design..." Today the Royal Institution of Naval Architects is a world renowned and highly respected international professional institution and learned society whose members are involved at all levels in the design, construction, maintenance and operation of all marine vessels and structures. The Naval Architect is one of the principal journal of The Royal Institution of Naval Architects which provides independent, high quality technical information on all aspects of the international marine industry. RINA has members in over 90 countries, and is widely represented in industry, universities and colleges, and maritime organizations world-wide.

# *Project of the Year*

## FSRU Livorno Project

Received By: Mohammad Rizal, Director- Production /  
Vinod K Vishwanath, General Manager- Conversions,  
Drydocks World Dubai, Kenneth Gafa, Head of RINA Dubai Office

Presented By: Jonathan Hutchinson, Global Sales Director, BP Marine

### **FSRU Livorno Project**

Floating Storage Re-gasification Unit (FSRU) conversion project, popularly known as the FSRU Livorno project is a joint venture of Registro Italiano Navale (RINA) and Drydocks World Dubai. FSRUs are floating terminals where LNG is stored before being re-gasified on board. The project also involves the installation of a side by side berthing mooring system for the LNG carrier, a loading system (i.e. loading arms), LNG transfer system to regasification plant, a process plant for regasification, utilities including power generation and sea water systems, control, automation and communications systems. It is believed that this prestigious and innovative project will help strengthen Dubai's reputation as a global leader in the ship conversion industry.

# *Personality of the Year*

**Dr. Rashid Al Leem,  
Director General,  
Hamriyah Free Zone Authority**

**Presented By: Fazel A. Fazelbhoy  
Chief Executive Officer, Topaz Energy and Marine Ltd**

## **Dr. Rashid Al Leem**

Dr. Rashid Al Leem is a man whose actions have most captured the public's imagination and whose pioneering spirits and inventiveness has redefined the maritime world. His actions speak much louder than his words. Dr. Rashid Al Leem was born on 1st December 1966 to a middle class family. He presently enjoys various government positions in Sharjah, he is the Director General of Hamriyah Free Zone Authority, Director General of Sharjah Sea Ports and Director General of Sharjah Customs. Dr. Rashid started his career by joining AMOCO Oil Company. He started as a gas plant operator with engineering background as a process, continued and rose to production. He worked as an assistant to the Plant Manager and was in charge of logging operations. In March 2000 he was offered by the Government of Sharjah to lead the Hamriyah Free Zone. He started Hamriyah Free Zone in March 2000 with 76 companies which have now rose to 4700 in a span of less than 10 years time. Initially those days there were a majority of only local companies now we there are about 150 different national flags flying outside the Free Zone, a commendable achievement for a man of his caliber.

# *Corporate Social Responsibility Award for Environmental Awareness*

**Khalid Mohammad Ibrahim Al Midfa,  
Chairman and CEO,  
Gulf International Trading Group**

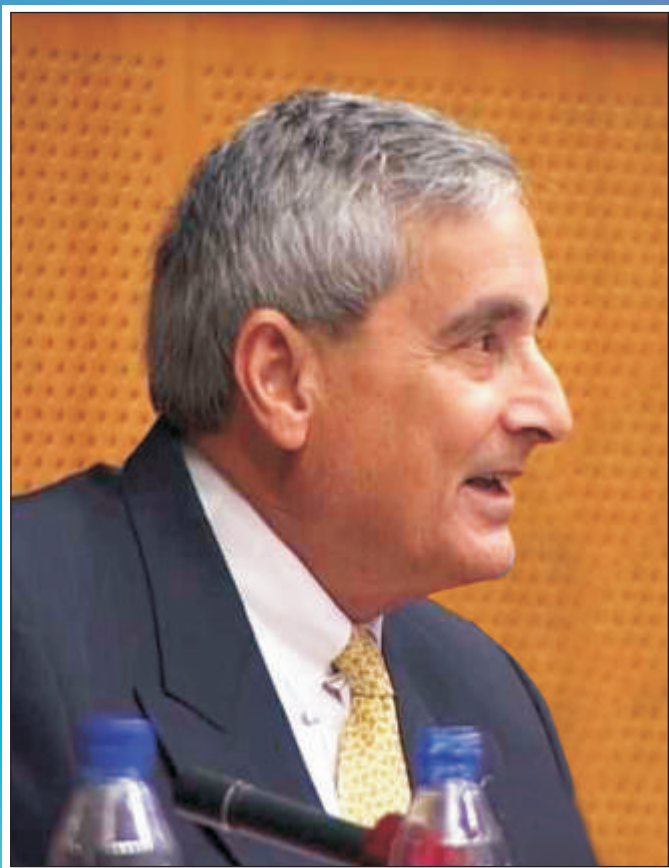

## **Khalid Al Midfa**

Corporate Social responsibility or CSR is a responsibility for business corporations to observe the social rules and contribute to the society within their scope. Environment being the major concern for every industry today, spreading environmental awareness among the society and ever member of the firm is considered very important by every company. As every industry has a direct or indirect impact on the environment it has become an important duty to preserve our natural environment and create a sustainable society for our future generations. This corporate social responsibility today has become a vision of Mr. Khalid Al Mifda, a man with a strategic insight, CEO and Chairman of Gulf International Trading Group. Khalid Al Mifda is recognized as a strong and assertive leader, eloquent speaker and a decisive leader. Mentored by most prominent figure of the UAE, he has developed strong understanding of the Global independence and strives hard to honor the UAE with his daily activities at GITG and to inspire the populations in the Middle East to embrace a future marked by international cooperation.

# *Lifetime Achievement Award*

**Ravi K Mehrotra**  
**Executive Chairman,**  
**Foresight Limited,UK**

## Maritime Entrepreneurship

An Entrepreneur is the one who undertakes innovations, finance and business acumen in an effort to transform innovations into economic goods which may result in new organizations or may be part of revitalizing mature organizations in response to a perceived opportunity. Foresight group is the example of such entrepreneurship and extraordinary leadership skills which was founded by a well known figure in the Indian and overseas shipping industry circle Mr. Ravi Kumar Mehrotra. He is the Chairman and Chief Executive this fast growing international group. Staring his career with the Shipping Corporation of India in 1964 he rose to become the Managing Director of Iranohind Shipping Company, an India-Iran joint venture. He joined Foresight Limited, London in 1985 as Managing Director and became Chairman and CEO in 1986. Today this organization manages a wide range of businesses ranging from shipping, offshore drilling to investments to hospitality, fashion footwear manufacture and brand retailing and enjoys a well acclaimed position in the industry under his eminent leadership.
